

# Welcome to the Pilot Block Neighborhood Association (PBNA)

## Our Purpose and Activities:

- We make the neighborhood more attractive and vibrant by hosting neighborhood social events and coordinating activities, such as holiday wreath hanging, neighborhood cleanups, and Halloween activities.
- We act as a liaison between residents/businesses and the city on the "bread and butter" issues, such as trash, traffic, and safety.
- We work with the city and developers to support appropriate development that enhances quality of life and preserves our unique architectural heritage. We have had open meetings with developers and business owners that allow neighbors' concerns to be heard and addressed.
- We repair and maintain the private alley surfaces to the best of our current financial ability.
- As individual residents, our impact is limited. Together, we can accomplish a lot.

## The PBNA includes Residents and Business Owners on:

- West Brookline Street
- Pembroke Street
- West Newton Street (Odd Side)
- Columbus Square
- Columbus Ave (Even side from West Canton to Pembroke)
- West Canton (Even side from Columbus to Warren)
- Warren Ave from West Canton to Pembroke
- Tremont Street (Odd side from W. Canton to W. Newton)
